MARION'S CORNER

Christine is Thriving: A Marion's Legacy Story

Christina came to the Marion Downs Center with undiagnosed hearing loss. After attending the Marion's Way Preschool, Christina has grown into a confident 7 year old who uses her hearing aids every day to facilitate communication.

Your contributions make it possible for us to support individuals and families through scholarships and financial assistance.

The 2020 Legacy Reception: A Virtual Success!

This year, due to the pandemic, we held our annual benefit virtually. Despite the change in venue, we are grateful for all the support we received through the 2020 Legacy Reception.

We had a great time listening to Hazel Miller and Bathing Lagoon and honoring Vickie Thomson for her dedication to newborn hearing screenings and early intervention. We extend our appreciation to Logan Firth of Camera Jams and Claudette Mondragon of Visible Voices, Inc.
