

## SOUND OFF - JUNE 2020

### Open, Safe, and Serving You

The MDC is committed to patient and staff safety. We have installed clear Plexiglass shields in our patient rooms and continue to take aggressive steps to minimize risk of transmission. We:

- thoroughly clean and disinfect between patient visits
- reduce the amount of time patients are in the building
- observe social distancing and mask use
- have closed our waiting room
- provide curbside and drop-off services
- offer tele-health appointments for troubleshooting issues and consultations

Please do not hesitate to reach out if you have questions or would like more information about our services.

We can be reached by telephone (303-322-1871) or by email ([contact@mariondowns.org](mailto:contact@mariondowns.org)). Please leave a message if you receive a recording; we check voice messages several times each business day.

## Deaf-Blind Awareness Week (June 21-27)

**From our partners at the Anchor Center for Blind Children**

"Happy Helen Keller Deaf-Blind Awareness Week! This national advocacy week has been celebrated from June 21 - June 27 since 1984, and it recognizes the achievements and capabilities of people who are deaf-blind. This year's theme is "Deaf-Blind. And Thriving." This theme acknowledges the many wonderful contributions made by the deaf-blind community and encourages people to forget any misconceptions they may have about deaf-blind individuals."

Marion Downs Center continues to collaborate with the Anchor Center for Blind Children in supporting deaf-blind individuals and providing vision screenings through our KidScreen program.
