

## SOUND OFF - DECEMBER 2021

### 2021: IT'S A WRAP!

The Marion Downs Center is grateful for all the support we have received in 2021! Thanks to your generosity, we have exceeded last year's donations!

Thank you to all our donors and supporters who have made it possible for us to support the community in the Denver metro area. Your donations allow us to offer affordable services, financial assistance, and scholarships to our programs.

We look forward to serving you in 2022!

## MAKING A DIFFERENCE: MARCEL'S STORY

Marcel reported difficulties with hearing in noisy environments and even one-on-one with individuals. After a referral to the Marion Downs Center, Dr. Caleb Kronen met with Marcel for a hearing aid evaluation.

When Marcel heard sounds for the first time through the hearing aids, he began to shed tears of happiness and expressed gratitude in being able to hear better again. Since Marcel received his new hearing aids, Dr. Kronen has assisted him numerous times in troubleshooting common issues and adjusted his hearing aids as needed.

Notice someone struggling in noisy environments? Refer them to the Marion Downs Center!

## MARION DOWNS HOLIDAY PARTY REPORT

The Marion Downs Holiday Party was a success with families coming for a morning of arts & crafts, music/story-telling, and the opportunity to visit with CueSign Santa!

We are grateful for the support from Colorado Hands & Voices, the Ascent Program (a Colorado EHDI program coordinated with Colorado School for the Deaf and Blind), the Lions Club of Denver, and Linguabee!

We also want to thank CueSign, Inc. and Cue Cognatio for creating an accessible story time for our holiday party with their CueSign video!

We look forward to seeing everyone again next year!

**PROTECT YOUR EARS DURING EVENTS!**

Did you know that at a typical college or professional basketball game, noise can get as loud as 115 decibels or more? Individuals risk noise-induced hearing loss when exposed to noises upwards of 110 decibels for more than 2 minutes.

For the Denver Nuggets basketball game, Dr. Caleb Kronen brought his Phonak Serenity custom-fit silicone filtered ear plugs to make it more comfortable and safer for his ears.

Individuals can get their own custom-fit plugs for different types of activities from music concerts to motorsports and more. Contact the Marion Downs Center to schedule your custom ear plug appointment!

### Shop at [www.smile.amazon.com](http://www.smile.amazon.com) and Support Marion Downs Center!

Did you know that you can support the Marion Downs Center by using AmazonSmile? It is a simple and automatic way for you to contribute every time you shop at no cost to you.

Go to [smile.amazon.com](https://smile.amazon.com) (instead of Amazon.com), select the Marion Downs Center as your charitable organization, and the AmazonSmile Foundation will donate 0.5% of the purchase price from your eligible AmazonSmile purchases.

Please consider giving your Amazon purchases the power to be a win for both you and the Marion Downs Center. Thank you for your contribution!

## Donate online through our website

You can make a secure donation directly through our website! Donors can choose whether to make a one-time or recurring donation.
