## "LIFE ALTERING" - MICHAEL'S STORY

After dealing with over-the-counter hearing aids that didn't provide good speech clarity, Michael came to the Marion Downs Center looking for answers. He walked away with hearing aid technology that was "life altering" and allowed him to participate in conversations with family members. Thank you to Michael for sharing your story! Click on the picture to watch the full video.

Your donations allow us to support individuals like Michael in improving their hearing health.
