GIVE YOUR CHILD THE BEST START

Free Early Childhood Screenings!
Speech - Language - Hearing Development

WHO SHOULD ATTEND?

Children ages 0-4 years whose families want to ensure they're developing on track in:

- Understanding and using language
- Speech clarity and communication
- Hearing and listening skills
- Overall developmental milestones

WHY SCREEN EARLY?

Early Detection makes a lifetime of difference!

- Catch potential concerns before they impact school readiness
- Connect with trusted audiologist and speech-language pathologist
- Receive guidance, reassurance, and next steps if follow-up is needed
- Screenings are **quick, fun, and play-based!**

WHY NO CHARGE?

The Marion Downs Center is a **nonprofit organization** committed to ensuring that all children, regardless of income or background, have access to early developmental screening. Your participation helps us promote healthy communication and learning for every child in our community.

In collaboration with Colorado LEND & JFK Partners
